Kingsley Park School Uniform

School Council have decided to change uniform suppliers from The Bounty Shop to PSW Frankston located at Playne Street Frankston, effective 29th February 2016.

PSW approached Kingsley Park offering a uniform that better suits our school and student's needs.

PSW will have our stock ready for change over and we are satisfied that The Bounty Shop will have more than adequate stock to take us through to February 29th 2016. If by chance an item is unavailable we would kindly ask you to direct parents to Ms Jan Watkins at KPPS and arrangements will be made.

New school bags and hats are now available for purchase from the school office.

- School hats cost \$18.95 and come in sizes S - M or L - XL
- School bags cost \$47.95 and come with a padded pouch for iPads.

Next year we will be adding a sports top to our school uniform. This will be available for purchase by students in Years 3 - 6. Please note that it is not compulsory to buy a sports top.

School Council have approved the addition of the sports top so that it can be worn on sport days and at events such as inter school sport and district, zone and regional events. The top will be available in 2016.

Please be assured that all current uniforms will be acceptable as we understand that there needs to be a transition period for this change.

The current KPPS uniform will be transitioned out over the next 2 years.

Kingsley Park Community Links

Kingsley Park Primary School has had a very busy and successful 2015. As community members it is not often you hear of the wonderful programs and fundraising events that take place throughout the year. Sometimes it can feel like you're being asked to support this and that! This is a little reminder of how powerful it is to make a donation to our local, wider and global community. All these events listed below increase our connectedness to something bigger than ourselves, which is a very powerful lesson we try to teach our students. To be grateful and connected are two feelings that are extremely beneficial to the wellbeing of our children. Listed below are the initiatives, outcomes and community links undertaken by our wonderful staff, children and parents throughout 2015.

Sewing Club

◆ **KidsMatter Quilt**

The quilt was designed and made by the children in Kingsley Park Sewing Club and supported by parent Karen Russell. Our wider community participated with Karen's mum, Anne, getting on board and involving her sewing friends.

◆ **New Hope of Children School Cambodia**

Staff and students have made a connection to a school in Cambodia, New Hope of Children. It is a wonderful English school that has received donations from the sale of cushions made by the Sewing Club. The students raised over \$350 and the generous staff of Kingsley Park donated a further \$600 over the past 2 years.

Relay for Life

In honour of our much loved Lyn Eddy, Kingsley Park Relay for Life team raised much needed funds of \$3,800 and equally as important, awareness about finding a cure for this disease.

Frankston Community Support

This Christmas the lovely families of Frankston will receive generous Christmas hampers due to the overwhelming donations of food items from the Kingsley Community. We have filled many shopping trolleys full of food items that will benefit many needy families this holiday season.

Day for Daniel Walk

Our inaugural 'Day for Daniel Walk' was a huge success this year in bringing our whole community together to commemorate Daniel Morcombe and to educate the community about children's safety.

WWF

The Year 5/6 students organised a fundraiser in Term 3 to raise awareness and make much needed funds for the World Wide Fund for Nature. The children designed and made all products for sale from recyclable materials. This hugely successful market day raised \$1130 for a very worthy cause.
