Student Leadership Report:

We informed all the children at a school assembly in April about our goals. Our Goals as SRCs are:

1. To help others feel safe and supported.
   E.g. By listening and seeing if can help them.
   Helping children when they are on the friendship seat.
   Helping to sort our arguments, problems that younger children maybe having, by using the You Can Do It keys.
   Helping new students to feel comfortable at KPPS.

2. To improve the school by
   a. Make it look better by keeping it clean. Encouraging children to put rubbish in the bins provided.
   b. Will be organising recycling containers.
   c. Providing lunchtime activities for all year levels half of lunch.

3. To be role models, setting a high standard in leadership by showing confidence and excellent behaviour.

4. To represent our school by listening to the students and teachers. We will be accomplishing this by regularly visiting classrooms to survey and discuss any issues or suggestions children may have.

5. Going to school council meetings to discuss what we have been doing and reporting on feedback from our classroom surveys.

The SRCs have been very busy with stuff like lunchtime sport activities, school surveys, which we have been listing and taking into perspective things that children have told us so we could improve the school.

Over the next few weeks we will be looking at the results from survey and will give children feedback. We are also requesting if the SRCs could have a PJ Teddy day, donation gold coin. We would like to donate this money to the Frankston hospital children’s ward. We have been setting goals for the future. We have also decided to make an SRC magazine for the whole school; it will include reports about lunchtime activities and the surveys!

The SRCs have been very busy with the following:
Lunchtime activities, dancing for Preps, sport for Years 1 & 2, Years 3& 4 and Years 5 & 6.
We have also been busy completing school surveys of every class. The questions we have asked them are:
What do you like about our school’s playground?
How can we improve our playground?
What lunchtime clubs do you enjoy going to?
Do you have any suggestions for new lunchtime clubs?
Any other suggestions/comments

We have been busy looking at the information we have received back from our class surveys and will report on this at the next school council meeting.
As SRCs we have decided to make an SRC Magazine. We are working on this and hope to have it completed by Term 3 Week 2. The magazine will have comments from children about our lunchtime activities, interesting feedback from our class surveys, interviewing teachers with guess the teacher, some jokes and what our goals are for Term 3.
As SRCs we are interested in doing something for our community. After discussion we decided that it would be a good idea to raise some money for the Frankston Hospital, children’s ward. We thought we could have a P/J Teddy Bear Dress up Day in Term 3. We would ask for a gold coin donation. So we would like you to all consider this suggestion and give us approval to do this in early Term 3. If you have any suggestions please let us know.
